Dear New Friend of Romsey Abbey,

Firstly, Welcome to the Friends! We are hugely grateful for your support and commitment to the Abbey. Becoming a Friend of Romsey Abbey means that you are part of a network of individuals who are committed to seeing the development of the outreach of the Abbey in many different areas.

But what will we do to keep in touch with you?

1. We run Friends' Coffee Mornings every other month in Romsey Town Hall so that people can get to know each other.
2. We offer a number of outings, talks and get-togethers during the year, including opportunities to get to know different aspects of the Abbey itself.
3. You receive an invitation to the Annual Ethelflaeda Lecture which is held each October. The Friends are the sponsors of the Ethelflaeda Festival
4. There is a bi-annual newsletter sent out to you either by mail or, preferably, electronically to keep down our costs.

Above all, we are grateful for your supporting us in this valuable way. The more Friends we have, the more difference we can make, so please encourage your friends to become our friends!

Please don't forget to contact us with your ideas and suggestions. We are still a relatively new group and want to grow and thrive and it's you who will help to do that.

With our grateful thanks and best wishes and "welcome aboard"!

Revd. Tim Sledge
Vicar of Romsey, President of Friends of Romsey Abbey
